Section 1 - Overview & Underwriting Criteria

This Product Eligibility Policy outlines the parameter requirements for residential mortgage loans submitted to Orion Lending. This document is an integral part of the loan underwriting review process and should be reviewed in conjunction with all potential findings.

All loans will be examined and evaluated to determine whether the proposed loans generally conform to these guideline parameters. The qualifying specifications and procedures are meant to serve as a principal foundation to qualify, and each borrower will be reviewed in its entirety on an individual basis.

Titan AUS loans that do not conform to the provisions of this Product Eligibility Policy will be comprehensively reviewed on a case-by-case basis. All applicable mitigating and compensating factors to a policy exception must be fully documented prior to considerations/granting of said exception.

Section 2 - Underwriting Criteria

Overlays and appendix are intended to reference and supplement Fannie Mae's Seller Guide. Refer to the Fannie Mae Seller Guide for specific information concerning qualification requirements that are not specifically referenced in the product overlays or appendix. To the extent there is a difference in standards between these overlays and the Fannie Mae Guides; these overlays will take precedence.

All Covered Loans must be designated as ATR/QM compliant and must adhere to the standards set forth in the CFPB's Reg Z, Section 1026.43(c) and Appendix Q.

Additional HPML requirements are described herein including mandatory escrows for 5 years.

Federal, State, and Local High Cost Loans are not permitted.

	Section 7 – Transaction Eligibility
7.1 Purchase	 Proceeds from the mortgage loan may not be used to give the applicant cash back other than an amount representing reimbursement for the applicant's overpayment of fees and/or a legitimate pro-rated insurance premiums and real estate tax credit in locales where real estate taxes are paid in arrears, if any The Closing Disclosure must clearly indicate the reimbursement of borrower funds. Documentation is required to support payment from an acceptable source that was paid outside of closing to be eligible for a refund

	The new loan amount is limited to pay off the current first lien mortgage, any seasoned non-first lien mortgages, closing costs and prepaid items
	 The transaction is being used to obtain a new first mortgage secured by the same property to pay off an existing first mortgage (including an existing HELOC in first-lien position); or
	 Pay off an existing construction loan and documented construction cost overruns that were incurred outside of the interim construction financing for two-closing construction-to-permanent loans. (These construction cost overruns must be paid directly to the builder at closing.); or
7.2 Rate/Term Refinance	 Pay for construction costs to build the home for single-closing construction-to-permanent loans, which may include paying off an existing lot lien
	Maximum Cash back to borrower per FNMA
	 At least one borrower on the new loan must be an owner (on title) of the subject property at the time of the initial application. Exceptions are allowed if:
	 The borrower acquired the property through an inheritance or was legally awarded the property (such as through a divorce, separation, or dissolution of a domestic partnership); or
	o The property was previously owned by an inter vivos revocable trust and the borrower is the primary beneficiary of the trust
	 See <u>section 7.5</u> Continuity of Obligation for additional permissible exceptions
	At least one borrower must have been on title for at least for six months prior to the disbursement date of the new loan
	o If the property is owned free and clear and six (6) month seasoning is not met, refer to Delayed Purchase Refinancing section 7.4
7.3 Cash-Out	 The transaction must be used to pay off existing mortgage loans by obtaining a new first mortgage secured by the same property, or be a new mortgage on a property that does not have a mortgage lien against it (the borrower owns the property free and clear at the time of refinance)
Refinance	If an existing first mortgage is being paid off through the transaction, it must be at least 12 months old at the time of refinance, as measured by the note date of the existing loan to the note date of the new loan
	o This requirement does not apply to any existing subordinate liens being paid off through the transaction, or
	When buying out a co-owner pursuant to a legal agreement
	 See <u>section 7.5</u> Continuity of Obligation for additional permissible exceptions
7.4 Delayed Financing Refinance	Delayed Purchase Refinancing is allowed with the following requirements: • Follow FNMA seller guide and AUS findings
	LTV/CLTV/HCLTV for Rate/Term refinance must be met. The loan is treated as a Rate/Term refinance except for primary residence in Texas

	Continuity of Obligation:
	At least one (1) borrower on the existing mortgage is also a borrower on the new refinance transaction, continuity of obligation is met
	If continuity of obligation is not met, the following permissible exceptions are allowed for the new refinance to be eligible:
	• The borrower has been on title for at least twelve (12) months but is not obligated on the existing mortgage that is being refinanced and the borrower meets one of the following requirements:
	 Has been making the mortgage payments (including any secondary financing) for the most recent twelve (12) months, or
	 Is related to the borrower on the mortgage being refinanced
7.5 Continuity of Obligation	The borrower on the new refinance transaction was added to title twenty- four (24) months or more prior to the disbursement date of the new refinance transaction
	The borrower on the refinance inherited or was legally awarded the property by a court in the case of divorce, separation or dissolution of a domestic partnership
	The borrower on the new refinance transaction has been added to title through a transfer from a trust, LLC or partnership. The following requirements apply:
	o Borrower must have been a beneficiary/creator (trust) or 25% or more owner of the LLC or partnership prior to the transfer, and
	 The transferring entity and/or borrower has had consecutive ownership (on title) for at least the most recent six (6) months prior to the disbursement of the new loan.
	NOTE: Transfer of ownership from a corporation to an individual does not meet the continuity of obligation requirement
	Institutional Financing only
	 Seller subordinate financing not allowed
	 The following are acceptable subordinate financing types:
	Mortgage terms with interest at market rate
	 Mortgage with regular payments that cover at least the interest due, resulting in no negative amortization
	Employer subordinate financing is allowed with the following requirements:
	 Employer must have an Employee Financing Assistance Program in place
	 Employer may require full repayment of the debt if the borrower's employment ceases before the maturity date
7.6 Subordinate	 Financing may be structured in any of the following ways:
Financing	Fully amortizing level monthly payments
	 Deferred payments for some period before changing to fully amortizing payments
	 Deferred payments over the entire term
	Forgiveness of debt over time
	 Balloon payment of no less than five (5) years, or the borrower must have sufficient liquidity to pay off the subordinate lien
	LTV/CLTV/HCLTV guidelines must be met with subordinate financing included
	Subordinate liens must be recorded and clearly subordinate to the first mortgage lien
